

## **Additional delivery conditions**

The private limited liability company Salco B.V. acts in accordance with economic and financial sanctions, trade embargos or any other similar measures imposed by the European Union, United Nations Security Council, the United States government, a United States organisation (for instance the Office of Foreign Assets Control, the US State Department, the US Department of Commerce, the US Department of Treasury) or a similar authority ("Sanction measures") to natural persons, company's, or nations, who are listed on a list of sanctions. The client is prohibited to deliver goods coming from Salco B.V. in conflict with Sanction measures to natural persons, company's or nations who are listed on a list of sanctions. The client indemnifies Salco B.V. from and against any claims by third parties for acting in conflict with the obligations as mentioned in the previous sentence.
